**NOTICE OF TEMPORARY RELOCATION OF THE  
ENVIRONMENTAL SERVICES DEPARTMENT'S  
Watershed Protection Programs**

The City of San José - Environmental Services Department - Watershed Protection staff has temporarily moved to:

**430 N. McCarthy Blvd.  
Milpitas, California**

(This Address is for Office visits only – see below for mailing address)

The temporary relocation is necessary while interior work to the Environmental Services Building is underway for the next several months.

The following Watershed Protection Programs have been relocated to the N. McCarthy Blvd. location until further notice: South Bay Water Recycling, Industrial Pretreatment Program (Source Control), City of San José Storm Water Program, Environmental Engineering, and Watershed Projects.

Please note that staff can be reached using the existing phone numbers. The general number for the temporary location is **(408) 945-5121**.

You can continue to address your mail to the old address, or use:

**Environmental Services Department  
700 Los Esteros Road  
San José, CA 95134**

Thank you for your patience during our office renovation.
